Rules Governing Hobbyist Wine Competition

1. Entrants must be at least 21 years old.
2. The entries will be evaluated by panels of judges selected from accredited tasters, including professionals in the areas of product development, research, education and marketing.
3. All entries must have a label attached containing the name of the wine, winemaker's name and the vintage. This must match the Information on the Entry Form.
4. Any one wine may be entered in only one Class.
5. Entries will be presented blind (identified by code only) to the judges in order of residual sugar (Dry, Semi-Sweet, Sweet).
6. In any conflict of classification or criteria, the Judges' Coordinator assumes the responsibility for a final determination.
7. All shipments must be prepaid and must arrive at the Florida State Fair between January 15 and February 6, 2012.
Pack well in proper wine cartons.
8. Competition management will announce winners in each category during the Fair, in printed form. Medal winners will receive medal(s), ribbon(s) and certificate(s) by mail, as appropriate, by the end of March.
9. Wines will be exhibited in the Award Showcase until the day before the end of the Fair. If you wish to pick up your 2nd bottle on February 19th between 11:00 AM and 4:00 PM, you must call or email the coordinator by January 30, 2012
After 2/19/2012 we have no way to secure your wine.
10. No refunds for cancellations can be made after the deadline.
11. If judges are faced with an obviously flawed bottle, an additional bottle of the same entry will be opened for judging (hence the 2-bottle requirement—1 to judge 1 to display). **If your wine goes to the Best of Show round, the second bottle will be opened.**
12. Awards will be on a merit basis. The judges are instructed to grant no awards when, in their opinion, wines are unworthy, and they are empowered to grant duplicate awards if the quality of the wines so merit.
13. Violations of any rules will result in immediate disqualification without refund.
14. In case the competition is not held, fees will be refunded in the amount paid, less a pro rata share of expenses for establishing and maintaining entry files.
15. Entries delivered to the judging site will be stored in a secure area, but neither the Florida State Fair Authority nor the Florida Grape Growers Association is responsible for safety of wines.
16. Competition results will be posted on the Florida Grape Growers website during the week following the competition.

Fees: Calculate the appropriate fee by multiplying the number of entries times the cost per entry

For each entry, supply the following information:

Class #: This can be found on the CLASSES sheet in this booklet.

Labeled Wine Name: Examples: (Noble, Red Wine, White Blend)

Kit Brand Name: If you made the wine from a kit, write in the BRAND name of the kit (Selection Estate New Zealand Sauvignon Blanc; Vintner's Reserve Sauvignon Blanc)

Vintage: This describes both the harvested year and the year that the wine was produced.

If the wine is a blend of more than 1 year, but 95% is from one year, you may use that year.

Otherwise a blend of 2 or more years would be considered *Non-Vintage (NV)*.

Appellation is defined as the Origin of the Grapes or Fruit used in the wine.

Examples: (2002, 2004, NV).

Examples: (CA 80%, NZ 20%), FL 100%, (FL 80%, MI 20%)

Appellation %: If 75% or more of a given appellation is FL, then the wine will be entered in the Amateur Best of Show Florida as well as the Amateur Best of Show Florida Grown competition, provided it is a Gold Medal Winner.

All other Gold Medal Winners will be entered in the Amateur Best of Show competition only.

Gallons Produced: Enter the number of gallons of this product that you produced.

Residual Sugar %: Indicate if the wine is Dry, Semi-Sweet or Sweet.

The judges will taste the wines beginning with Dry and moving to Sweet.

If you do not indicate the sweetness level, your wine may be judged out of order and therefore not receive full marks.

Predominate Grape or Fruit Variety %:

Examples: (80% Chardonnay 20% Fume), (100% Noble), (80% Strawberry, 20% Concord)

Alcohol %: This item is optional. If you have measured the percentage, list it.

Wine Pickup:

If you are interested in picking up your wine on February 19, 2012 between 11:00 AM and 4:00 PM, you must call or email Bonniejean Paulish before February 1, 2012. (No Exceptions)
